I'M A PALEONTOLOGIST

Dopo aver affrontato in storia la figura dello storico ed i suoi collaboratori, gli studenti hanno approfondito quella del paleontologo, ma in inglese.

Dopo la visione di un breve video animato in L2 hanno realizzato un piccolo libretto con tutte le informazioni raccolte.

Pete the Paleontologist
Draw some tools Pete might need to do his job. Tell why he needs each tool.

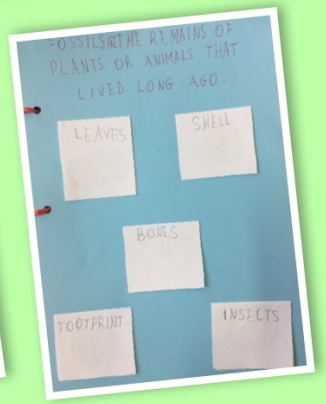

I am a paleontologist
and this is what I do.
I study bones and fossils
from creatures long ago.
I put the bones together
a dinosaur you will see.
This is how they looked
come learn along with me.
